Mission and Ministry Unit Amalgamation Statute 2016

Formerly The Anglican Diocese of Christchurch Structural Review
Implementation and Transition Amendment Bill
Enacted 2013; Amended 2016

Part 1 – Preliminary Provisions

1 Title

This Statute is the Mission and Ministry Unit Amalgamation Statute 2016.

2 Purpose

(1) The purpose of this statute is to provide a mechanism for Mission and Ministry Units to amalgamate and provide for effective transitional governance during amalgamations by ensuring:

- (a) stability of clergy and lay leadership during the Transitional Period;
- (b) continuity of stipended clergy appointments during the Transitional Period;
- (c) a review of clergy appointments and the making of new clergy appointments to best serve the needs of the New Ministry Units at the end of the Transitional Period; and
- (d) clarity around the transfer of the property and obligations of Former Ministry Units to New Ministry Units.

3 Effect on Other Statutes

- (1) This Statute will apply, for the matters identified in and to the extent provided for in this Statute, to affected parishes instead of:
- (a) the Diocesan Local Ministry and Mission Units Statute;
 - (b) the Diocesan Synod Statute;
 - (c) the Clergy Appointment Statute;
 - (d) the Clergy Resignation and Termination Statute;
- to the extent these statutes are not incorporated into this Statute.
- (2) To the extent any Statute, Regulation or Standing Order relating to the Anglican Diocese of Christchurch is inconsistent with this Statute, the provisions of this Statute are to prevail.

Explanatory Note to section 4: The Statute is intended to apply, to the extent provided for in it, instead of certain other Statutes and, in the event of any inconsistency, this Statute is to prevail and have effect. The intention of the Statute is to provide an alternative method for the reconstitution of parishes.

4 Interpretation

For the purposes of this Act, unless the context requires another meaning:

Affected parishes means those the subject of a resolution proposed in accordance with section 5(1).

Bishop means the Bishop of the Diocese of Christchurch at any given time.

Clergy person includes any new ministry enabler and those persons licensed to Local Shared Ministry parishes.

Former Ministry Unit means a Ministry and Mission Unit that existed before being dissolved in accordance with section 5.

New Ministry Unit means a Ministry Unit established in accordance with sections 6 and 7.

Sub-committee means the vestry of a Former Ministry Unit.

Statute, Regulation or Standing Order means any statute, regulation or standing order of the Diocese of Christchurch.

Transitional Period in respect of each New Ministry Unit means the period from its establishment to the beginning of the third Annual General Meeting held for that New Ministry Unit since its establishment pursuant to this Statute.

Part 2 – Dissolution and Establishment of Ministry Units

5 Dissolution of Ministry and Mission Units

- (1) Following consultation by the Standing Committee (or its delegate) with parishioners and the relevant Archdeacon, Ministry and Mission Units may be dissolved by the Standing Committee proposing a resolution to the Synod that a Ministry and Mission Unit be dissolved, and that resolution being passed by the Synod.
- (2) Once a Ministry and Mission Unit is dissolved in accordance with section 6(1):
 - (a) it will cease to exist as a Ministry and Mission Unit effective on the date proposed in the resolution proposed under section 6; and
 - (b) it will be a Former Ministry Unit for the purposes of this Statute.
- (3) Any resolution proposed in accordance with section 5(1) must be proposed in conjunction with a resolution under section 6. The resolution proposed in accordance with section 5(1) will be deemed to have failed unless the accompanying resolution proposed under section 6 is passed.

6 Establishment of New Ministry Units

- (1) A New Ministry Unit may be established by the Standing Committee proposing a resolution to the Synod to establish a New Ministry Unit, and that resolution being passed by the Synod.
- (2) The proposed resolution must identify:
 - (a) the geographical area for which the New Ministry Unit will have particular ministry, mission and pastoral responsibility;
 - (b) the Former Ministry Units that constitute (in whole or in part) the New Ministry Unit; and

- (c) the date on which the resolution will take effect and the New Ministry Unit will be constituted.

Explanatory Note to sections 6 and 7: The understanding behind sections 6 and 7 is that the proposed ministry units that comprise a number of existing units will be created by first dissolving the existing ministry units and then reconstituting those ministry units as an entirely new ministry unit. The resolution that will create the New Ministry Unit will identify the geographical area for which the New Ministry Unit will have particular responsibility and it must identify the date on which the resolution will take effect and the New Ministry Unit will be constituted.

Part 3 – Organisation of New Ministry Units

7 Vestries

- (4) The provisions of this section do not apply to any property held on trust for a Former Ministry Unit by the Church Property Trustees or any other trustee.

Explanatory Note to sections 11 to 13: These sections set out how Synod representation, Diocesan Quota and property held directly by a Former Ministry Unit will be dealt with. Section 11 sets out that a New Ministry Unit will have the same number of Lay Representatives currently provided for the Former Ministry Units that comprise it. Where a Former Ministry Unit is divided between more than one New Ministry Unit the Lay Representatives will be allocated to the New Ministry Unit that takes the largest geographic area of the Former Ministry Unit. Section 12 sets out that the Diocesan Quota of a New Ministry Unit will be calculated in accordance with the Financial Regulations. Section 13 provides that property held directly by a Former Ministry Unit will pass to the New Ministry Unit it forms part of. The word 'property' is used in its technical legal sense, and includes land and buildings, chattels, money in a bank account and so on. Where a Former Ministry Unit is divided between more than one New Ministry Unit the property will be allocated between them by Standing Committee. The section does not apply for any property held on trust by the Church Property Trustees or any other trustee, as this statute cannot affect those legal relationships.

- New Ministry Unit that includes the Former Ministry Unit to which he or she was previously licensed.
- (3) Sub-sections 2 and 4 may be waived in favour of automatic re-licensing to permanent positions if, after consultation with the Bishop:
 - (a) the Vestry of the New Ministry Unit has determined the ministry needs of the New Ministry Unit and what clergy appointments are required;
 - (b) the clergy, wardens and vestries of the Former Ministry Units have made written application to the Standing Committee for waiver; and
 - (c) the Standing Committee has approved the application.
 - (4) Where a Former Ministry Unit is divided between more than one New Ministry Unit then clergypersons from that Former Ministry Unit will be re-licensed to a New Ministry Unit chosen by the Bishop, in consultation with the affected clergyperson and Ministry Units, provided that the New Ministry Unit must include in it part of the Former Ministry Unit to which the clergyperson was previously licensed.
 - (5) The term of a clergyperson's licence for ministry to a New Ministry Unit given in accordance with sub-section (2) will terminate in accordance with notice given by the end of the Transitional Period, which notice must be given at least eight weeks prior to the date specified in the notice for the termination of the appointment.
 - (6) If, within three months of the termination of a clergyperson's appointment to a New Ministry Unit, he or she has made reasonable endeavours to find and has not found another stipended position in the Province then he or she will be entitled to a payment of an amount equivalent to three months stipend for that clergy person. That payment shall be made from funds under the control of Standing Committee.
 - (7) If, at the end of a period of six months from the termination of a clergy person's appointment to a New Ministry Unit, that clergy person has not secured another stipended position in the Province or secular employment despite having made reasonable endeavours, he or she may apply to the Standing Committee for further financial assistance.
 - (8) A clergyperson whose licence is revoked in accordance with sub-section (1) may request to the Bishop that he or she not be re-licensed in accordance with sub-section (2).
 - (9) Nothing in sub-sections (1) to (4) will prevent a clergyperson from resigning as he or she ordinarily could in accordance with the Clergy Resignation and Termination Statute.
 - (10) Nothing in sub-sections (1) to (4) will prevent a clergyperson from having his or her office terminated as could ordinarily occur in accordance with the Clergy Resignation and Termination Statute.
 - (11) The dis-establishment or termination of a clergy appointment under this section does not give rise to a right to any payments provided for in the Clergy Resignation and Termination Statute.

15 Appointment of a Transitional Priest-in-Charge to a New Ministry Unit during the Transitional Period

- (1) The Bishop will, after appropriate consultation with the Parish Nominators, appoint a Transitional Priest-in-Charge for a New Ministry Unit from the clergypersons licensed for ministry to that New Ministry Unit in accordance with section 14.

- (2) The term of the appointment as Transitional Priest-in-Charge under sub-section (1) will be for the duration of the Transitional Period and the Transitional Priest-in-Charge's appointment will terminate in accordance with notice given by the end of the Transitional Period, which notice must be given at least eight weeks prior to the date specified in the notice for the termination of the appointment
- (3) The Transitional Priest-in-Charge will have the powers and responsibilities given to a Vicar under the Diocesan Local Ministry and Mission Units Statute.
- (4) If, within three months of the termination of the Transitional Priest-in-Charge's appointment, he or she has made reasonable endeavours to find and has not found another stipended position in the Province then he or she will be entitled to a payment of an amount equivalent to three months stipend for that Transitional Priest-in-Charge. That payment shall be made from funds under the control of Standing Committee.
- (5) The termination of a Transitional Priest-in-Charge's appointment under this section does not give rise to a right to any payments provided for in the Clergy Resignation and Termination Statute.
- (6) If a Transitional Priest-in-Charge resigns or retires during the Transitional Period then the Bishop and Vestry of the relevant New Ministry Unit may decide to either:
 - (a) proceed to terminate all clergy appointments in that New Ministry Unit and make appropriate permanent appointments in accordance with section 16; or
 - (b) allow for the appointment of a new Transitional Priest-in-Charge in accordance with sub-section (1) provided that the Bishop is not bound to appoint a Transitional Priest-in-Charge from amongst the clergypersons licensed for ministry to that New Ministry Unit.

16 Appointment of clergy after the Transitional Period

- (1) Before the end of the Transitional Period there will be a parish consultation, following which the Vestry of a New Ministry Unit will assess the clergy needs of the New Ministry Unit and decide, in consultation with the Bishop, what clergy appointments are required.
- (2) The clergy appointments identified after the process in sub-section (1) will then be made in accordance with the Clergy Appointments Statute.
- (3) Once those appointments have been determined the notices referred to in sections 15(4) and 15(2) will be issued.
- (4) Notwithstanding sub-sections (1) and (2), the clergy currently licensed to the New Ministry unit in accordance with section 14 may be permanently appointed without the need for any advertisement of the positions, provided at any time before the end of the Transitional Period:
 - (a) A Parish consultation has occurred in accordance with sub-section (1)
 - (b) The Vestry of the New Ministry Unit determines that the clergy needs of the new Ministry Unit are adequately met by the current clergy; and
 - (c) The Board of Nomination, as exists under the Clergy Appointments Statute, confirms the appointment after consultation with the New Ministry Unit.

Explanatory Note to sections 14 to 16: The sections governing clergy and staffing appointments allows all clergy appointments to be retained during the Transitional Period. The Bishop will appoint one of those clergy members to be the Transitional Priest-in-Charge. During the Transitional Period the Vestry will assess clergy requirements and a new Vicar and clergy team for that ministry unit to exist permanently at the end of the Transitional Period will be appointed, in accordance with the Clergy Appointments Statute. Once that process has been carried out, the clergy positions will automatically terminate at the end of the Transitional Period, but at least eight weeks' notice of termination must be given.

No rights of compensation will arise as a result of the creation of a New Ministry Unit and the end of a prior position. However, compensation may be payable as a result of the termination of an appointment at the end of the Transitional Period. If a clergy person makes reasonable endeavours to find another stipend position within the Province, but does not find one within three months of termination, then a payment equivalent to three months of that clergyperson's stipended will be made. No other rights to compensation will then arise.

Where a New Ministry Unit is satisfied with its clergy levels, provision is made to by-pass the formal appointment process provided certain conditions are met.

REGULATIONS OF THE STANDING COMMITTEE
CONCERNING FACULTIES, PLANS AND SITES

For the guidance of Vicars, Churchwardens and Vestry members the following regulations are issued by the Bishop and the Standing Committee concerning plans of buildings and alterations thereto.

1. The Bishop's Faculty or Licence is necessary before permanent furnishings are made for a church or before any alteration is made in a church or before any addition is made to the permanent furniture thereof and before any reredos, monument, tablet, window or any inscription is placed therein or in the church grounds, but excluding tombstones. There is a printed form for the petition for a Faculty; the petition must be in writing, addressed to the Bishop, and signed by the Vicar and Churchwardens of the cure. It should distinctly describe the alteration or addition; the position it is to occupy in the church; the material of which it is to be made; whether it is a gift, and if so, by whom; and must also set out fully, and if possible in facsimile, the inscription, if any, which is desired. Applications must reach the Bishop at least ten days prior to the date set down for the meeting of the Plans and Sites Committee who act as the Bishop's Advisory Committee on Faculties.
2. The approval of the Standing Committee and of the Church Property Trustees is required on any church land and before any alteration is made to an existing building or the placing thereof on church land.
3. In case of buildings, sketch plans only should be supplied to the Diocesan Manager so that any alterations suggested by the Standing Committee may be made before final plans are prepared. It is important to see that plans and specifications, including a siting plan, are submitted and approved before the work is put in hand.
4. Sketch plans must be accompanied by draft specifications or a summary of materials which it is proposed to use.
5. In every case where it is proposed to erect a new building, sketch plans must be sent to and approved by the Standing Committee and the Church Property Trustees and then submitted to and approved by a general meeting of parishioners. After approval by the parishioners, final plans and specifications should then be submitted to the Diocesan Manager for submission to and approval by the Standing Committee before the work is put in hand. Approval of plans and specifications does not indicate that finance by way of loan is available, separate applications must be made as detailed in the following clause.

6. Where the raising of loan money is involved, the approval of a meeting of parishioners is required before the application, together with the text of the resolution passed at the parishioners' meeting, is submitted to the Standing Committee and the Church Property Trustees.

(See Financial Regulation 12)

Forms of application for Parochial Loans may be obtained from the Diocesan Office.

7. The services of a registered architect must be employed in the erection of, or alteration to, any building within the Diocese unless Standing Committee is satisfied that other arrangements, satisfactory to it, are made as to plans, specifications and supervision. Any application in this connection or plan prepared by other than a Registered Architect must clearly show the name and qualifications of the person concerned. An outline of the requirements of the Standing Committee in connection with the preparation of plans and specifications is available from the Diocesan Manager.
8. All applications for faculties and plans for consideration must reach the Diocesan Office at least ten days prior to the meeting of the Plans and Sites Committee as detailed on the Schedule of Meeting Cards forwarded yearly to all clergy and churchwardens.
9. There are certain minimum requirements in connection with vicarages and clergy houses and details of these are available from the Diocesan Manager.
10. Details concerning the Diocesan requirements in connection with floor and window coverings should be sought from the Parish Property Administrator.

FROM THE DIOCESAN MISSION STATEMENT:

“Our mission is God’s mission. It is expressed in the words of the Risen Jesus: “As the Father has sent me, so I send you... receive the Holy Spirit”. It is focused in Christ who is Lord and Master of all life. He is the hope of a needy world and He offers faith for the future. Like Christ’s mission, ours will be marked by costly obedience. In so far as our mission is Christ-like, it involves an inescapable challenge to follow the loving leadership of Christ.

We accept the Anglican Consultative Council’s definition of mission and express it as:

1. To proclaim the gospel of the Kingdom.
2. To nurture the community of faith.
3. In love to heal, care and serve all people.
4. To see justice and peace for all.
5. To safeguard the integrity of creation and renew the life of the earth.

This leads us to affirm that:

- Christ is the foundation of our lives and offers a living faith for all people.
- Christ is the centre around Whom all life is gathered.
- Christ is our hope in an uncertain and insecure age, and in Him we have confidence and direction for the future.
- Christ is Lord of the Church and calls us within that fellowship to show unity in that diversity which is traditional to Anglicanism.

Based on the Mission Statement our goals are:-

1. Proclamation - Communicating the Good News of the Kingdom of God.
2. Nurture - Growing in the Christian Faith.
3. Loving Service - Offering healing and care as a channel through which personal faith and corporate service may reach out to the wider world.
4. Justice and Peace for All - Working for social change to make a better world.”

Year Book of the Diocese of Christchurch, 1989.

This statement from the Diocesan Year Book indicates that the purpose of Christian Ministry is to serve people at their points of need in the selfless way in which Christ serves. These Ethical Guidelines are offered in support of this service.

PREAMBLE

- the guidelines are offered for all who minister in the Diocese, not just for the ordained. The term “minister” will be used to include both lay and ordained.
- these guidelines are guides for ethical behaviour between ministers and those they minister to. They are not intended as a statement of Christian moral teaching.

- these guidelines indicate acceptable ethical behaviour. It is recognised that all who minister will at times fail to live up to all aspects of the guidelines. Those who minister and those they minister to, together with all Christians, are called to offer each other reconciliation and forgiveness when appropriate.
- these guidelines deal explicitly with pastoral ministry. However they are applicable wherever there is a ministry relation between two people.
- ministry situations are more complicated than are other helping situations in that ministers do not just meet those they serve in counselling sessions. Ministers and those they minister to meet regularly in many different settings.
- it is often difficult in ministry to distinguish between “professional” and “personal” relationships. This can make it very difficult to establish appropriate boundaries in ministry relationships.
- ministry covers a wide range of activities - from informal pastoral care schemes to structured counselling situations.
- people sometimes expect information shared informally to be as confidential as information shared in a formal counselling/confessional situation.
- a ministry relationship cannot be “terminated” as can a counselling relationships. Ministers normally have ongoing relationships with those they serve.
- the variety of networks within parishes and the information sharing between them make the ethical questions more complex.
-

PRINCIPLES

1. Every human being has infinite worth and a unique value as a child of God, irrespective of origin, ethnicity, sex, age, beliefs, social or economic status, contribution to society or present psychological, physical or spiritual state.
2. Each individual has the God-given right of self-fulfilment and maximum development of their potential to the degree that it does not encroach upon the same rights of others.
3. All activities of ministry regardless of their form, should serve the best interests of those who receive them.
4. Those who minister have the responsibility to devote objective and disciplined knowledge and skill to aid individuals within the church and wider social setting in their progress in the faith and in the development of their God-given potential as human beings.

1. RESPONSIBILITIES TO THOSE BEING SERVED:

- 1.1 We maintain the right of the people to whom we minister to a relationship of mutual trust, to privacy and confidentiality and to the responsible use of information. All information divulged by people is the property of those people and their informed consent must be sought if it is to be passed on to any person or organisation. This includes passing on information within the ministry team. When people request us not to discuss them with others, we will honour this request unless others are in danger.
- 1.2 We acknowledge that under the guise of caring and sharing, information which is incorrect or which is not public property is often passed on within the church. We recognise the need to guard against careless talk and to beware of accepting second-hand information at face value.
- 1.3 People should be informed about the limits of confidentiality. Confidentiality is required to be breached when there is a clear danger to the safety of the person or to any other individual or group. Those we minister to will normally be informed beforehand if confidentiality is to be broken. If permission is not given to reveal it, information given in the course of a confession is exempt from this provision, in keeping with the rubrics on pg 750 of A New Zealand Prayer Book, He Karakia Mihinare o Aotearoa and the Evidence Amendment Act 1980, section 31.
- 1.4 We will not abuse our position by taking advantage of those we minister to for purposes of personal, institutional, political or financial gain.
- 1.5 Those we minister to should be free from the possibility of sexual exploitation or sexual harassment of any kind. It is recognised that those exercising ministry are in a position of power relative to those to whom they minister. This power means that sexual relations within any ministry relationship by definition cannot be equal.
- 1.6 We will encourage those to whom we minister to move towards self-determination under God and towards taking appropriate responsibility for their own lives.
- 1.7 We will acknowledge the limits of our competence and refer those to whom we minister to others when this proves necessary or desirable.

2. RESPONSIBILITIES TO THE CHURCH:

- 2.1 We recognise our membership of the Body of Christ, i.e. the Church.

- 2.2 We will contribute our unique professional expertise (lay or ordained) to the development of the ministry and policies of the Church of which we are a member.
- 2.3 We will uphold professional standards of practice in ministry and work for their advancement.
- 2.4 We will act to prevent discrimination in access to ministry where this discrimination is based on colour, race, sexual orientation, socio-economic status, age, religious or political belief.
- 2.5 We will be professional in the time we give to the ministry of the Church, guarding against both over-commitment and avoidance of responsibility.

3. RESPONSIBILITIES TO OTHER MINISTERS:

- 3.1 We will treat colleagues with respect, consideration, fairness and good faith.
- 3.2 We will recognise the abilities, expertise and views of colleagues in ministry and value the contributions they make.
- 3.3 We will respect the professional confidences of colleagues.
- 3.4 We will seek mediation when important conflicts with colleagues or others require to be resolved. Legal procedures are provided within the Church's structures where this is deemed necessary.
- 3.5 When appropriate we will work and co-operate with colleagues and social service agencies of the Church and Society to serve the best interests of the people to whom we minister.
- 3.6 We will respect the time constraints of those (ordained and lay) who minister in a non-stipendiary capacity.

4. RESPONSIBILITIES TO OURSELVES:

- 4.1 We will acknowledge that there are limits to the ministry we can properly provide and that respect for our own health in ministry relationships and appropriate self-care should be upheld.
- 4.2 We recognise our own need for recreation, refreshment and renewal for which at times we will need to call on the support and expertise of other ministers and professionals.
- 4.3 We will use regular professional supervision for review, learning, personal and spiritual growth to maintain a high standard of ministry.

- 4.4 We recognise that our knowledge needs to be continually extended and enhanced. In addition to personal study, we will regularly attend courses, retreats, lectures, seminars and schools of ministry to learn and be encouraged in our ministry.

APPENDIX TO THE GUIDELINES

We offer the following guidelines as a further resource. Although Kelsey is speaking specifically of spiritual direction and in-depth counselling, these guidelines are relevant to wider ministry situations as well.

- “1. Recognize the incredible power of this experience of transference-love-sexuality.
2. Those who think that they are not vulnerable to this experience are sitting ducks for it. Pride goeth before the fall.
3. Do not enter into deep one-to-one counselling or pastoral relationships unless willing to deal with transference.
4. Recognise that within each of us is the desire to be the “divine” giver of love, and also the deep need to be satisfied by having another provide this love for us.
5. Although touch is at times very healing, important and necessary, it can be very dangerous in the private, continuous, one-to-one relationship and can turn into something quite different than was intended. It is so easy for people to want to give us what we have not consciously recognised that we desired.
6. It is essential that any of us who are in a relationship that involves transference keep a running reflection in our journals of our own honest reactions and feelings.
7. Counsellors need to be quite clear that they come into the counselling situation to give rather than to receive, and when this is not true there is a great need for careful reflection. We need to be as aware as possible of both our conscious and unconscious expectations in regard to those with whom we relate in depth.
8. Every person (seldom do I use the word every) involved in depth counselling or in continuous one-to-one relationships needs to have peers with whom he or she can discuss *all* aspects of these relationships and seek objective guidance. The director requires direction if the blind are not to lead the blind.
9. Once relationships have been established in depth, particularly when the transference is directed toward the counsellor-director, it is simply immoral to break these relationships without a full discussion of the situation with the individual concerned and if possible a totally mutual agreement as to its resolution.
10. Whenever possible, those who are going to be involved in close pastoral relationships need to be provided supervised pastoral experience. It is within this setting that the problems unique to each of us can be handled most creatively. I am grateful that God does not need perfect instruments to further

his kingdom, for then only the unconscious and psychotics would be able to apply.”

THE CLERGY RESIGNATION AND TERMINATION STATUTE

Enacted 1996; Amended 1998, 2000, 2006

A BILL TO ENACT A STATUTE CONCERNING THE RESIGNATION AND TERMINATION OF CLERGY APPOINTMENTS

WHEREAS the Inter Diocesan Conference in May 1996 adopted Regulations of Common Practice for the dioceses in Tikanga Pakeha of this Church;

AND WHEREAS pursuant to Title A Canon II Clause 5 the Inter Diocesan Conference acting in Synodical Conference approved the following regulations for the Resignation and Termination of Appointments of Ordained Ministers;

AND WHEREAS the Inter Diocesan Conference determined “that the Regulation regarding Resignation and Termination of Appointments of Ordained Ministers be adopted as a Regulation of Common Practice”

BE IT THEREFORE ENACTED by the Bishop, Clergy and Laity of the Diocese of Christchurch in Synod assembled as follows:

1. THE Short title of this Statute shall be “The Clergy Resignation and Termination Statute 1996”.
2. THAT the following Statute be enacted:

THE CLERGY RESIGNATION AND TERMINATION STATUTE

1. Any ordained minister licensed to an ecclesiastical office under Title A Canon II section 1 may resign the same by giving not less than three months’ notice in writing to the Bishop having episcopal jurisdiction over the ministry unit for which the licence is issued; provided that less than three months’ notice may be accepted at the Bishop’s discretion.
2. No ordained minister licensed to an ecclesiastical office under Title A Canon II section 1 in any of the Dioceses in New Zealand shall have the appointment to that office terminated or be removed from such office except:
 - 2.1. for an ecclesiastical offence upon the decision of a competent Tribunal as prescribed in Title D; or
 - 2.2. where, in the case of a stipendiary appointment, the stipend in respect of the ministry unit to which the ordained minister was appointed can no longer be sustained, or the office to which the minister was appointed is disestablished; or
 - 2.3. where the ordained minister fails to perform the duties of the office to which the minister was licensed in an effective manner; or
 - 2.4. where the office is that of Deacon/Priest in Charge during a vacancy; or
 - 2.5. where the office is that of Co-Vicar or Co-Pastor, and the provisions of a diocesan regulation require the concurrent termination of such licence

- upon the termination, for whatever cause, of the licence held by any other Co-Vicar or Co-Pastor of that ministry unit; or
 - 2.6. where the licence has stated a specific term of the appointment, and the term has expired and has not been extended or renewed; or
 - 2.7. upon the resignation from that office of the person holding the licence.
3. No ordained minister shall have their appointment to office terminated under clause 2.2 hereof unless:
- 3.1. the Bishop for the time being exercising Episcopal jurisdiction over the minister shall first have given the ordained minister and the ministry unit to which the ordained minister is licensed, written advice about the possibility of termination; and this advice shall have been given at least one month prior to any written notice of termination being given to the ordained minister in accordance with clause 2.2;
 - 3.2. the Bishop for the time being exercising Episcopal jurisdiction over the minister shall have given the ordained minister three months' notice of termination in writing;
 - 3.3. the ministry unit to which the ordained minister is licensed shall have received a copy of such notice of termination;
 - 3.4. the Standing Committee of the Diocese shall have authorised payment of a sum equivalent to three months' stipend of that minister payable upon the termination of the licence; and
 - 3.5. the Bishop shall have provided the ordained minister with written confirmation that the termination of the appointment is due to the inability to fund the stipend for that appointment and has not been by reason of misconduct; and
 - 3.6. the Bishop shall have notified the ordained minister that, should the minister have been unable at the end of three months after the termination of the appointment to have secured another stipendiary office or secular employment, the minister may apply to the Standing Committee of the Diocese for further financial assistance of up to but not more than three months' stipend.
4. No ordained minister shall have their appointment to office terminated under clause 2.3 hereof unless the following procedure is followed:
- 4.1. The Bishop shall have spoken personally to the ordained minister about the issues relating to the performance of the duties of the office causing concern.
 - 4.2. The Bishop shall then detail to the ordained minister in writing the matters of concern giving rise to a possible termination of the appointment, and what possible action if any may be taken by the minister which may remove those concerns, and shall invite from the minister a response in writing within fourteen days.
 - 4.2.1. If the Bishop advises of any action that may be taken that would remove the possibility of termination, then the Bishop shall invite the minister to signify in writing within fourteen days a willingness to undertake such course of action.
 - 4.2.2. If the minister, having undertaken the suggested action, is able to perform the duties of the office in a manner satisfactory to the Bishop, no further action shall be taken.

- 4.3. The minister as part of a response may request the Bishop to arrange for the appointment of a third party, who shall act independently and who shall be appointed by a commission consisting of the Diocesan Church Advocate and an Archdeacon or another senior priest nominated by the minister.
 - 4.3.1. The third party shall give an opportunity for the minister, the Bishop and, where the third party considers it appropriate, the ministry unit to be heard either personally or by representation. If the ministry unit is involved, the minister shall be given an opportunity to learn and to respond to what the ministry unit has submitted.
 - 4.3.2. Thereafter the third party may suggest to the Bishop any action which may be taken that might prevent the termination of the appointment.
- 4.4. If the minister, having undertaken the suggested action, is able to perform the duties of the office in a manner satisfactory to the Bishop, no further action shall be taken.
- 4.5. If, having considered any written response from the minister under clause 3.2 and any suggestions from the third party under clause 3.3, the Bishop considers that no further action is possible that would justify not proceeding with the termination of appointment, the Bishop shall place all relevant information including any reports or submission given or prepared by any third party before the Standing Committee to seek their sanction of a termination of the appointment.
- 4.6. The minister shall be informed in writing fourteen days prior to the Standing Committee's meeting to consider the question of a sanction, and shall have the right to make a written submission on any matter the minister wishes the Standing Committee to consider. Any such submission shall indicate whether the minister wishes to appear in person to make representations to Standing Committee at that meeting and whether the minister wishes to have an advocate to represent the minister's interests. The minister shall be given copy and full details of any reports or submissions given or prepared by any third party.
- 4.7. The Standing Committee when considering the Bishop's request for a sanction shall ensure that:
 - 4.7.1. The minister whose licence is under consideration has been informed in writing by the Bishop of the reasons for the possible termination of the appointment;
 - 4.7.2. the Bishop has indicated if there is any possible action which may be taken by the minister which would prevent the termination of the appointment and, if applicable, has sought in writing a response from the minister indicating a willingness to undertake such course of action;
 - 4.7.3. if a third party has been appointed, the Bishop has placed before the Standing Committee any advice received from that third party which the Bishop cannot or has not accepted or which when agreed to is considered by the Bishop not to have been satisfactorily undertaken by the minister.
- 4.8. The Standing Committee, after hearing any submissions which may be made by the minister or the minister's advocate, shall either give or withhold its sanction for the termination of the appointment.

- 4.9. If the Standing Committee considers the minister has undertaken the action suggested by the Bishop in a satisfactory manner, it shall not give its sanction to the Bishop's request.
- 4.10. If the Standing Committee sanctions the termination of the appointment, the Bishop shall advise the minister in writing forthwith of the decision in the form set out in the Schedule hereto. The Bishop shall advise the date upon which the appointment and any related stipend terminate, which shall be three months from the date of the notice. The appointment may be terminated forthwith on the payment of three months' stipend in lieu of notice.
- 4.11. Should the minister have been unable at the end of three months after the termination of the appointment to have secured another stipendiary office or secular employment, the minister may apply to the Standing Committee of the Diocese for further financial assistance of up to but not more than three months' stipend.
5. The Diocesan Synod may enact regulations to make further provisions for the care of clergy whose appointment to office has been terminated for whom no stipendiary office exists immediately or in the foreseeable future, in addition to or in substitution for the provisions hereof, where such provisions are deemed insufficient or inappropriate.
6. Where the licence of any ordained minister specifies the term of the appointment and the date of its termination, then, notwithstanding anything else contained in these regulations, that date shall be the date of the termination of the appointment, and the licence shall cease to be effective from that date unless it is extended or renewed.
