(who has agreed to accept nomination) for election as a member of

E. J. Wingham

(Signed)

Date 8th September 2020

Profile of Nominee

I have been in a number of positions over the last few decades that involved the recruitment process for both paid and voluntary positions and I know the importance of finding the right person for the job. I believe I have a good mix of experience as I grew up in a large city and then moved to a more town like community to a semi rural and rural community where I am Vicar. I hope this experience would lay the foundation for prayerful decisions when it comes to the role.

Blessings

Rev. Steph Clay
